

4 Simple Ways to Launch your IPTV/OTT Platform

4 simple steps and your content will be ready to be streamed on all leading APP platforms.

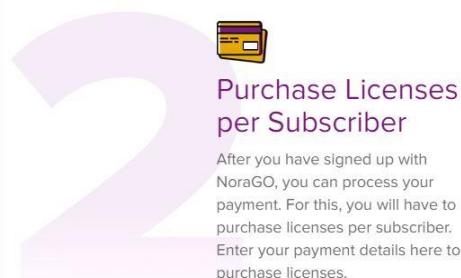

1. Sign Up

Sign up with NoraGO to start streaming. Enter the required details in the sign-up form and you will be registered with NoraGO.

A screenshot of a sign-up form for ColorTV LLC. The form includes a logo for ColorTV and the text "ColorTV LLC". Below the logo, there is a text input field containing "John Smith". Underneath, there are two input fields labeled "Email Address" and "Password". Below these is a "Phone" input field. At the bottom right of the form is a purple button labeled "Sign Up".

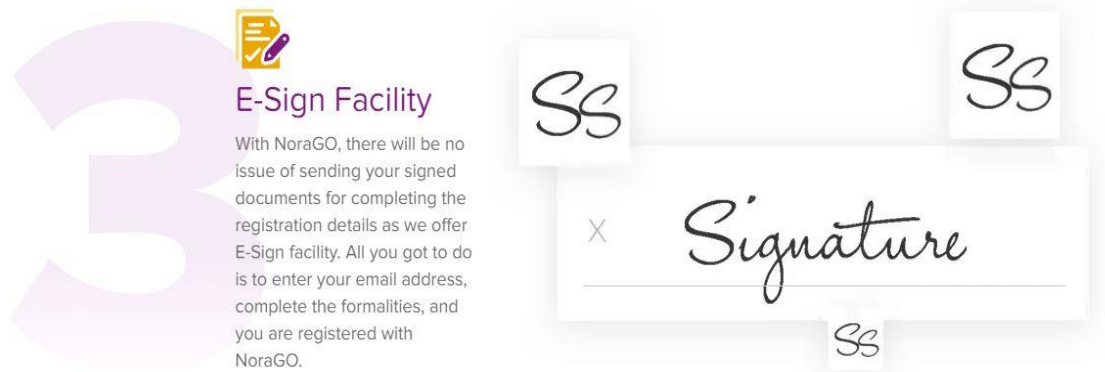

2. Purchase Licenses per Subscriber

After you have signed up with NoraGO, you can process your payment. For this, you will have to purchase licenses per subscriber. Enter your payment details here to purchase licenses.

A screenshot of a checkout form. At the top, it says "Checkout". Below this are logos for VISA, American Express, and Discover. The form contains three input fields: "Cardholder Name" with "John Smith" entered, "Credit Card Number", and "Expiration Date" with dropdown menus for "MM" and "YYYY". A purple button labeled "Process Payment" is at the bottom.

3. E-Sign Facility

With NoraGO, there will be no issue of sending your signed documents for completing the registration details as we offer E-Sign facility. All you got to do is to enter your email address, complete the formalities, and you are registered with NoraGO.

4. Ready to Launch

Once all the details are verified, you are now set to launch your IPTV/OTT platform on all leading APP platforms and stream your content on multiple apps. Receive your Nora middleware access within 24 hours! There will be no more delays or difficulties in selling your content as NoraGO has you covered.
